Icons

I chose multiple icons because I think it makes the page easier to use, there is a saying, *“one image is better than thousand words”* so I think the icons would help a lot to make the page usable for everyone.

The first icons are the typical ones:

- Menu:

Menu

- The checked button:

Radio Button
Checked

- The unchecked button:

Radio Button
Unchecked

- First page:

First Page

- Last page:

Last Page

- Next page:

Arrow Forward
iOS

- Previous page:

Arrow Back iOS
New

- Latest news:

Brand Awareness

- Login:

Login

- Logout:

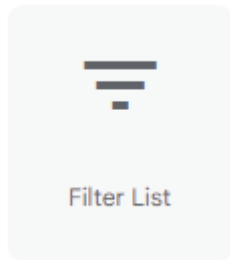

Logout

- Shopping cart:

Shopping Cart
Checkout

- Filter list:

- Light mode:

Light Mode

- Dark mode:

Dark Mode

- Close:

Close

Next ones are related to the sports, because we want to show the news of every sport that we can offer, so I have chosen an icon for each sport for which we will offer the news on the website:

- Athletics:

Sprint

- Baseball:

Sports Baseball

- Basket:

Sports
Basketball

- Cricket:

Sports Cricket

- Football:

Sports Soccer

- Golf:

Sports Golf

- Gymnastic:

Sports
Gymnastics

- Handball:

Sports Handball

- Moto GP:

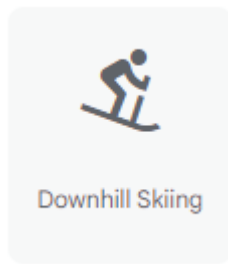

Sports
Motorsports

- Rugby:

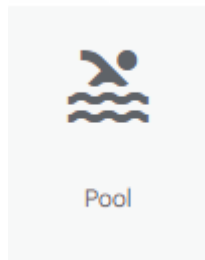

Sports Football

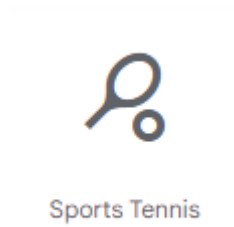

- Ski:

- Swimming:

- Tennis:

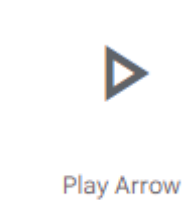

- Volleyball:

Now the icons when the users are watching a match in live stream:

- Play:

- Pause:

Pause

- Fast forward:

Fast Forward

- Fast rewind:

Fast Rewind

- Fullscreen:

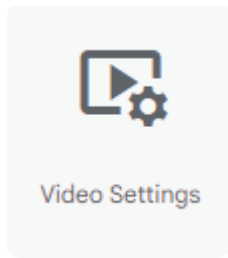

Fullscreen

- Subtitle:

Subtitles

- Video settings:

- Score:

Sports Score

These are all the icons that I chosed for thee website which I think are the best.
